

■ Nexus Master Station

NEXUS

Nexus is a **Wireless Nurse Call System** that is designed based on UL 2560.

The solution is developed from ground up to provide a **Reliable** & **Price Competitive** wireless connection. By employing the latest **LoRa (Long Range) Technology**, Nexus creates **Larger Coverage** for broader and more extensive communication. The system now includes **Fall Management** & **Wander Management Solutions** to provide greater performance capabilities.

Touchscreen Master Station

- Color Coded Touchscreen Display
- Calls Ordered By Priority
- Audio Call Levels Indication
- Low Battery And Device Lost Alerts
- Event Log and Response Time Tracking
- Password Protected
- Options for Wall-mount / Desk-mount

NEXUS Key Features & Benefits :

- 
Simple & Quick Self-Installation
 Console, call points and sensor devices need no wiring. Eliminates installation complexity
- 
Easy-To-Use
 Intuitive UI design, straightforward to user and no specialized training required
- 
Extensive Coverage
 Open air range in excess of one mile
- 
Scalable & Flexible
 Unlimited capacity of call points and wide range of sensor devices that can cover an extensive physical area
- 
Easy Deployment
 Fully functional nurse call system can be deployed within a matter of minutes
- 
Fall / Wander Management Integration
 Integrates seamlessly with the fall / wander management solutions. Direct alerts to the nurse call system for central monitoring and response. Local alerts can be disabled for silent alarming
- 
OverDoor Indicator
 Visual and audible alarm, when acts as a signal repeater for extending coverage
- 
Fault Supervision
 Alerts for product faults, out of range and low battery conditions
- 
Event Log
 Every event that occurs on the system is collected. Data can be exported for analysis and reporting
- 
Reliable Backups & Rapid Recovery Capabilities
 Instant recovery solution in the event of an unexpected hardware or system failure
- 
Messaging Solutions Available
 Instant notification sent to staff members via in-house pagers or smartphones
- 
Real-time Multiple Display Panels
 Staff do not have to travel far to see the location of the call

Assisted Living Facility

Fall Management

Fall Monitor

The CordFree monitor acts as a room controller unit. Manages up to 9 sensors and supports a wide range of sensor devices

Sensor Pad

Various types & sizes of sensor pads, include above or under-mattress bed pads, chair pads, floor mats are available

Bedhead Call Point

Portable Handset

A portable nurse call handset can be fastened on a bed rail. It provides the most affordable solution for bedding needs

Bedhead Call Point

Call & Reset 2-in-1 bedhead unit is completely wireless. Battery operated with long battery life expectancy. 4P4C jack for a nurse call handset

Nurse Station

Master Station

A touchscreen Master Station indicates calls in order of priority. Can either stand on a desk or wall-mounted

Wearable Device

Pendant Transmitter

The Pendant Transmitter can be worn as a wristband or pendant, and allow patients to call for emergency alarms. Automatic fall-alert is available for pendant use

Wander Management

Door Strip Sensor & Wristband Transmitter

Provides audible and visual alert when patient wearing wristband transmitter move within the range of protected doors

Bathroom / WC Safety

OverDoor Indicator

Provides visual and audible alarm, while acting as a signal repeater for extending coverage

Bathroom Call Point

Wireless Call & Reset 2-in-1 button is waterproof to IP65. It comes with a pull cord to ensure accessibility from the toilet or floor

Multiple Options • Proven Performance

System Components

NDP-21

Master Station
10.1" Rugged Tablet PC • With Nexus Software Installed • IP65 • 8000mAh Battery

ILB-21

Overdoor Indicator
Dual Colored Indicator Light • Buzzer With Adjustable Volume • Signal Repeater • Battery Back-up In Case Of Power Low

Nurse Call Components

WCP-11C

Bedhead Call Point
Call & Reset Buttons 2-in-1 • Call Reassurance LED • 4P4C Connection For Nurse Call Handset (NEC-12) • Replaceable Batteries • Long Battery Life

NEC-12

Nurse Call Handset
Easy To Press Big Red Call Button • Call Reassurance LED • Standard Cable With USB Break Point & 4P4C Connector • Comes With Wall-mounted Bracket • Compatible With WCP-11C

WCP-11

Bathroom / WC Call Point
Call & Reset Buttons 2-in-1 • Comes With Removable Pull Cord • IP65 Waterproof Rating • Replaceable Batteries • Long Battery Life

NEC-05

Portable Handset
Easy To Press Big Red Call Button • Green Button To Reset • Call Reassurance LED • 2xAAA Batteries Operated • Comes With Clip & Plastic Wall-mounted Bracket for Storage

TXP-11

Pendent Transmitter
Active Emergency Button • Man-down Detection For Pendant • Waterproof to IP65 • Replaceable Batteries • Includes Lanyard With Anti-ligature Point • Optional Watch Strap (Not Included)

Fall Management Components

NGM-21

CordFree Monitor
Monitor Up to 9 Sensor Devices • Pause Mode • Sleep Mode • Low Battery Alert • Signal Lost Alert • Tamper-Proof Reset • Delay Setting • 3 Tone Selections • Adjustable Volume • Nurse Call Output • Operates On AC Adaptor Or Batteries • Protective Cover • Hanger Strap

WPAS-10

Early-Alert Sensor Bed Pad
Sends Alarm BEFORE Patient Has Left The Bed • Multi-Zone Detection Design • 30"x10" (76 x 25 cm) • Water Resistant • Built-in Transmitter

WMBP-20

Cordless Under-Mattress Sensor Pad
Works Beneath Most Mattresses • 30" x 10" (76 x 25cm) • Water Resistant • Anti-Microbial Surface • Works With Rondish Transmitter (TM-11v3)

CBP-01

Cordless Bed Pad
30" x 20" (76 x 51cm) • Water Resistant • Works With Rondish Transmitter (TM-11v3)

CMFB-02

Cordless Floor Mat
48" x 24" (122 x 61cm) • Heavy Duty • Non-Slip Material • Works With Rondish Transmitter (TM-11v3)

CCP-01

Cordless Chair Pad
15" x 10" (38 x 25cm) • Water Resistant • Works With Rondish Transmitter (TM-11v3)

CFMT-10

Cordless Foldable Floor Mat
36" x 24" (90 x 61 cm) • Foldable Design • Heavy Duty • Non-Slip Material • Works With Rondish Transmitter (TM-11v3)

PIR-21

Passive Infrared Sensor
LED Status Indicator • Internal Alarm Or Signal Transmit Options • Pause Mode • Easy Reset Button • Adjustable Detection Range • 3xAA Battery Operated • Low Battery Alert • DC (6V) Input Option

Wander Management Components

DMS-02

Door Strip Sensor
Visual & Audible Alert • Adjustable Sensing Range • Automatic Door Lock Option • Customize ID • Low Battery Alerts • Fault-checked

TXP-02-IP

Wristband Transmitter
400ms Periodic Digital Transmissions • Code & Function Programmable Using Magnet Switch • IP67 Waterproof Rating • Unbreakable Strap Is Available for Option

Optional Components

DOCK-01

Docking Station
3 USB Extend Docking • Support Ethernet

We aim to improve the quality of life for elderly, patients and caregivers with human-centric technology.
